

MY MOVING CHECKLIST By Hour Movers

Our team has put together a moving checklist to help you stay organized. Follow this list and you will be completely ready for your next move on moving day. Being prepared for your move is the key to a stress-free transition from home to home.

4 Weeks Before My Move

- Call Hour Movers to Schedule your move [1-\(250\)-920-6092](tel:1-250-920-6092)
- Schedule your in-home estimates with Hour Movers
- Request time off work for moving day
- Create a list for donations, Hour movers will remove anything you would like to donate the day of your move
- Contact your service providers and inform them of your change of address (Cable, Gas, Hydro, Garbage, etc)

3 Weeks Before My Move

- Order your desired amount of packing supplies and labels
- Confirm your moves date & time after your in-home estimate
- Begin packing non-essential items
- Create labels for each packed box
- Reserve Elevators & confirm both parking arrangements
- Start basic cleaning of the appliances
- Start basic cleaning of the bedrooms & living spaces

2 Weeks Before My Move

- Disassemble and wrap non-essential furniture
- Gather all personal & important documents then place them in a safe place.
- Begin packing less commonly used items
- Schedule you're appointment with service providers if necessary
- Start deep cleaning of the appliances & base boards
- Start deep cleaning of the bedrooms & living spaces
- Start deep cleaning of the floors, kitchen & bathrooms

1 Week Before My Move

- Inspect and make notes on the condition of all furniture being moved (photos are the best proof of condition)
- Label items you would like early access to upon arriving at your new home
- Create your meal plan for before, during & after moving day
- Finish packing all items not needed intel your in your new home
- Finish cleaning the appliances & base boards
- finish cleaning the bedrooms & living spaces
- finish cleaning the floors kitchen & bathrooms

My Moving Day

- Designate boxes & items as "load last" to be unloaded first
- All rooms, closets and cabinets have been checked
- Disassemble bed frames and prepare mattress with covers
- Take down art and prepare for transportation
- Confirm location of personal and important documents
- Take photos before your move for memories
- organize boxes from heaviest to lightest to speed up loading time

Before You leave

- Final clean of sinks, toilets, floors
- Complete your last walk through with Hour Movers
- Pack food, frozen items for Hour Movers to load them last in truck
- ensure all fawcett's sinks and hoes are firmly in the off position
- Turn off your gas, lights and heat.
- Lock and secure all doors and windows
- Surrender your house keys
- Smile and wave good bye to your home

After My Move

- Unpack frozen items & food that needs to be refrigerated
- Inspect all furniture & confirm its condition
- Inspect your new house & confirm its condition
- Thank your movers who help with your move.
- [Share experience you had with Hour Movers on Google reviews](#)
